Contacting us online

Are you a patient or a prospective patient? Are you unsure as to whether we provide a service you are looking for? If you prefer, you can contact us online using our [enquiry form](#).

Are you a GP wishing to refer to one of our services? We have made this process easier by providing you with an easy [to fill referral form](#) in a downloadable format.

Visiting us in person

We are proudly situated in the heart of Chelsea and Fulham, just across from the [Chelsea and Westminster Hospital](#) on the Fulham Road. From this convenient location, we are able to provide women-centred private health care services, making us the first medical centre of its kind in West London.

Alternatively you can contact us by filling out our [enquiries form](#) use "enquiry form" for consistency

Travelling by car

Car parking in the local area is available on designated payment bays or resident permit bays in nearby streets or in the Chelsea & Westminster Hospital car park across the road. Sometimes there can be queues for car parking here during the day, so please allow time prior to your appointment to secure a spot.

Download the [map](#) for directions.

Travelling by Tube

We are located nearest to the South Kensington (District, Circle and Piccadilly Lines) and the Fulham Broadway (District Line) Underground stations. Click on our map for [detailed directions](#).

Travelling by bus

Buses 14, 414, 211 all stop by the Chelsea and Westminster Hospital, which is right across the road from the Centre.

Travelling by taxi

Due to our convenient location opposite Chelsea and Westminster Hospital, taxis are readily available on a 24/7 basis.
